ZONING ORDINANCE FOR THE TOWN OF NOTTINGHAM, NEW HAMPSHIRE

An ordinance to promote the health, safety,

morals, convenience and general welfare of the community in regulating the use of land in the Town of Nottingham.

ARTICLE I

Preamble

In pursuance of authority conferred by Chapter 31, Sections 60-89, N. H. Revised Statutes Annotated, 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy in the process of development, of the inhabitants of the incorporated Town of Nottingham, New Hampshire, by securing safety from fire, panic, an other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means, now therefore the following ordinance is hereby enacted by the voters of the Town of Nottingham, New Hampshire, in official annual meeting convened.

ARTICLE II

Districts

For the purpose of this ordinance the Town of Nottingham is divided into districts as shown on the zoning map filed with the Town Clerk and dated March 8, 1960, and including the following: (1) General Residence and Agricultural District; (2) Lake Residence District; (3) Recreational Camp District.

ARTICLE III

General Provisions

1. No junk yard or place for the storage of discarded machinery, vehicles, or other scrap material shall be maintained in any district.

2. No owner or occupant of land in any district shall permit fire or other ruins to be left but shall remove the same to ground level within one year, or shall rebuild, repair, or replace the structure.

3. Existing gravel, clay, and sand pits are permitted, but no new such pits may be opened along state highways unless they are set back at least 50 feet from the edge of the right of way.

4. Any use that may be obnoxious or injurious to the town welfare by reason of production or emission of odor, dust, smoke, refuse matter, fumes, noise, vibrations or similar conditions, or that is dangerous to the comfort, peace, health or safety of the community, or tending to its disturbance or annoyance, is prohibited.

5. Sanitary Protection.

(a) No privy, cesspool, septic tank, or sewage disposal area, shall be constructed or maintained less than 75 feet from the edge of a public water body, from a well, or from a dwelling other than that to which it is appurtenant.

(b) No waste waters or sewage shall be permitted to run free into a stream or public water body or be discharged in any way that may be offensive or detrimental to the health of others. All such waste shall be conveyed away underground through use of an accepted sanitary system or in such a way that it will not be offensive or detrimental to health.

(c) All dwellings and sanitary systems shall be constructed and maintained in accordance with the standards set and enforced by the New Hampshire State Department of Health and by the New Hampshire Pollution Commission.

ARTICLE IV

General Residence and Agricultural District

The General Residence and Agricultural District shall enjoy the following provisions:

1. It shall be mainly a district of farms and residences.

2. Home produce and products may be bought and sold and exposed for sale in this district. Roadside stands incidental to such sales are permitted.

3. Tourist homes may be maintained and operated.

4. Residences may be used to house such uses by the owner or tenant as offices for doctor, veterinarian, engineer, architect, lawyer, real estate and insurance, or other recognized profession, or such home occupation as hairdressing, dressmaking, manufacture of craft products for sale, or manufacture of food products.

5. Churches and schools are permitted.

6. General farming, including horticultural, dairying, livestock and poultry raising, and other agricultural enterprise or uses, or the raising of animals for other purposes are permitted.

7. **Lot Area Requirement:** Every building lot shall have a minimum lot frontage of 100 feet, except that, where lots are located on the exterior of a curving street, a shorter front dimension shall be per-

mitted, provided that the average width of the lot measured across its center shall be at least 100 feet.

Set Back: There shall be between the centerline of the nearest right of way and the extreme front of any building a minimum distance of 35 feet. No new building shall be located nearer than 10 feet of the property line.

Minimum Land Area: No lot shall be less than 20,000 square feet in area, with a frontage of 100 feet and a depth of 200 feet, provided, however, that a lot with less frontage and depth which is recorded and taxed as a lot of record at the time of passage of this ordinance shall be deemed a conforming use.

8. Property owners of business, profession, or service enterprises shall be allowed two advertising signs, such signs not to total over 15 square feet in area for each sign. One or more signs pertaining to the lease, sale or use of a lot or building on which placed, or signs dealing with business located within the town, shall not exceed a total area of five square feet.

ARTICLE V

Lake Residence District

The Recreational Residence District shall enjoy the following provisions:

1. It shall be mainly a district of single family dwellings for recreational and seasonal use.

2. No dance halls, or amusement centers, shall be permitted in this zone. Commercial uses limited to gas sales, boat liveries, and grocery facilities may be permitted in Lake Residence Districts provided the application and site meets the approval at a public hearing of the lake improvement association con-

cerned, the Selectmen and the Board of Adjustment.

3. No trailer parks shall be permitted in this zone, but singly sited mobilehomes are permitted, provided they meet the lot area requirements, set backs, and sanitary requirements for all single family dwellings.

4. ***Lot Area Requirement:*** Every building lot shall have a minimum width at the building line of 100 feet. No lot shall be less than 15,000 square feet in area, provided, however, that a lot of lesser area which is recorded and taxed as a lot of record at the time of passage of this ordinance shall be deemed a conforming use.

Set Back: There shall be between the centerline of the nearest right of way and the extreme front of any building a minimum distance of 25 feet.

No new building shall be located nearer than 10 feet of the property line.

5. No advertising signs shall be allowed in this District except for signs pertaining to the lease, sale, or use of a lot or building on which placed, and no such sign shall be of greater size than four square feet.

6. Lake Residence Districts shall be considered as extending 1,000 feet in depth landward from the usual water line.

ARTICLE VI

Recreational Camp District

The Recreational Camp District shall enjoy the following provisions:

1. It shall be a district for the accommodation of adult camps, boys' and girls' camps, and public park facilities.

2. Attendant commercial enterprises to camping and park use, including the sale of food and beverages to patrons, and the rental of boats, are permitted.

3. No lot size are stipulated for this zone, since it is contemplated that the land will be held in large tracts for a common camp use. In the event that land in this zone is to be subdivided into individual building lots, the land area requirements set forth in the Lake Residence Zone shall be observed.

ARTICLE VII

Non-conforming Uses and Buildings

Any non-conforming use may continue in its present use, and may be extended or enlarged, or converted to another non-conforming use by permission of the zoning board of adjustment, after a public hearing.

In granting permission for extensions or enlargements, the Board shall assure itself that the proposed changes will not have an adverse effect on neighboring property or on traffic circulation, and that it will not constitute a hazard to the public safety.

ARTICLE VIII

Enforcement

1. It shall be the duty of the Board of Selectmen and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

2. The Building Inspector shall issue any and all building permits requested when such permit is in accordance with the provisions of this Ordinance.

3. After passage of this Ordinance, it shall be unlawful to erect any structure, or building, or alter

the bulk of any building or relocate any building except accessory building, in any District without first obtaining a building permit from the Building Inspector.

4. No permit shall be required for remodeling where the purpose for which the building is to be used is not changed.

5. Upon any well-founded information that this Ordinance is being violated the Board of Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other legal action.

ARTICLE IX

Board of Adjustment

Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties to the provision of Chapter 31 of the N. H. Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing Authority shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment. The Board of Adjustment here provided shall conform in membership and term of office to the provisions of Section 67, Chapter 31, N. H. Revised Statutes Annotated, 1955. In addition to the general powers granted said Board of Adjustment by said Chapter 31, it may, in harmony with and subject to its provisions:

A. Waive the General Residence and Agricultural District frontage requirements where there are unusual conditions of street curvature, topography,

or subsurface conditions. In such cases, however, the average width of the lot shall be equal to or greater than the frontage requirements.

B. Permit in the General Residence and Agricultural District an industry, which, after public hearings, proves it can meet the following requirements:

1. Be located at least 50 feet from the center of any right of way, and not less than 50 feet from each side and rear boundary.

2. Provide adequate off-street parking facilities for freight and delivery trucks and for employees.

3. Will not offend by reason of the omission of smoke, dust, gas, noise, odor, or fumes.

C. Permit in the General Residence and Agricultural District the following commercial uses:

1. Logging houses, apartment houses, hotels, inns, motels, tourist courts and cabins, including such retail business within these permitted buildings as are conducted for the convenience of the residents or guests;

2. Shops, restaurants, and other retail establishments

3. Garages, parking lots, and filling stations;

4. Business offices;

5. Theaters, outdoor theaters, halls, clubs, amusement centers;

Which, after public hearing, prove they can meet these requirements:

1. Be located at least 50 feet back from the center of any right of way, and not less than 10 feet from each side and rear boundary.

2. Provide adequate off-street parking facilities

for delivery trucks and for employees and customers.

3. Will not offend by reason of bright unshaded lights, noise, odor, or fumes.

4. Will not constitute a traffic hazard to the users of the adjacent road or highway.

D. Permit, in the General Residence and Agricultural Zone, Trailer or Mobilehome Parks which, after public hearing, prove they can meet the following requirements:

1. Satisfy the stipulations of the sanitary laws and regulations of the State Department of Health in reference to mobilehomes and trailer parks;

2. Provide a minimum space allocation of 7,000 square feet for each mobilehome space.

ARTICLE X

Amendments

This ordinance may be amended by a majority vote of any legal Town Meeting when such amendment is published in the warrant calling for the meeting, and when such amendment has received a public hearing, which hearing has been advertised and given fifteen day notice.

ARTICLE XI

Penalty

Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

ARTICLE XII

Saving Clause

The invalidity of any provision of this Ordinance

shall not affect the validity of any other provision.

ARTICLE XIII

When Effective

This Ordinance shall take effect upon its passage.

ARTICLE XIV

Definitions

For the purpose of this Ordinance, certain terms are defined as provided in this section.

1. ***Accessory Building*** means a building subordinate to the main building on a lot and used for purposes customarily incidental to those of the main building.

2. ***Advertising Sign***: A structure, building wall or other outdoor surface or any device used for visual communication which is employed for the purpose of bringing the subject thereof to the attention of the public, or to display, identify, and publicize the name and product or service of any person.

3. ***Amusement Center*** means an area, enclosed or unenclosed, supplying entertainment which is conducted on a basis of paid admission.

4. ***Building, Non-conforming*** means a structure which is lawfully maintained at the time this ordinance became effective and which does not conform with the regulations of the district in which it is located.

5. ***Camp***: Any area of land on which are located two or more cabins, tents, trailers, shelters, or other accommodations of a design or character suitable for seasonal or other more or less temporary living purposes, regardless of whether such struc-

tures or other accommodations actually are occupied seasonally or otherwise.

6. **Frontage** means the length of the lot bordering on the public right of way.

7. **Home produce and products** means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household or the *bona fide* resident of any property.

8. **Hotel or Inn** means any building or portion thereof where lodging is offered to transient guests for compensation and in which there are more than five sleeping rooms with no cooking facilities in an individual room or apartment.

9. **Junk** means any old metals, old bottles, cotton or woolen mill waste, unfinished cloth, unfinished cotton or woolen mill yarns, old paper products, old rubber products, two or more unregistered motor vehicles which are unfit for use on highways, used parts and materials or motor vehicles, and other second hand articles the accumulation of which is detrimental or injurious to the neighborhood.

10. **Lot of Record:** Land designated as a separate and distinct parcel in a legally recorded deed and plan filed in the records of Rockingham County, New Hampshire.

11. **Mobilehome:** A home which is mobile, a unit similar to a trailer, but equipped with running water and sanitary facilities, bath facilities and toilet.

12. **Right of Way** means and includes all range roads, town, state, and federal highways and the land on either side of same as covered by statutes to determine the widths of the rights of way.

13. *Tourist Court, Cabins, Motel* mean any group or two or more detached or semi-detached buildings containing guest rooms or apartments with automobile storage space serving such rooms or apartments provided in connection therewith, which group is designed or used primarily for the accommodation of automobile travelers, including groups designated as tourist courts, cabins, and motel developments.

14. *Tourist home* means any place consisting of a room or groups of rooms located on one premises where transient accommodations for sleeping or living purposes for not more than six persons are provided for a price.

15. *Trailer*: Any vehicle or similar portable structure having no foundation other than wheels, jacks or skirting, and having none of the following: Running water, sanitary facilities, bath facilities and toilet.

16. *Trailerpark*: A plot of ground upon which two or more trailers or mobilehomes, occupied for dwelling or sleeping purposes, are located, regardless of whether or not a charge is made for such accommodations.

17. *Use, Non-conforming* means a use which lawfully occupied a building or land at the time this ordinance became effective and which does not conform with the use regulations of the district in which it is located.

It was moved that Article 11 be accepted as read. Passed in the affirmative.

(Secret Ballot: 64 voted for — 29 against). 93 ballots cast.

Article 12. To amend, or amplify the Building Code by the following addition to No. 1 (Minimum

Building Code.): Permits for commercial tourist courts, camps and motels may be issued provided each rental unit shall have a minimum floor area of 150 square feet. Such permits shall be subject to the approval of the Building Inspector, Planning Board (or Board of Adjustment) and the Selectmen. A rental unit is defined as not more than one room containing not less than 150 square feet. If toilet facilities are to be included, the space required shall be in addition to the 150 square feet. These units may be single, or connected in series. It was moved that Article 12 be accepted as read. Passed in the affirmative.

Article 13. To see if the Town will raise and appropriate an additional sum of \$500.00 for the connecting and piping of present well, adjacent to the Town Hall, to the Town Hall and Grange Dining Hall, with freeze-proof shut-off, and pumps in each builling. This appropriation submitted without recommendation of Budget Committee. It was moved that Article 13 be dispensed with. Passed in the affirmative.

Article 14. To see if the Town will raise and appropriate the sum of \$250.00 for the developing of a Town Beach and picnic area, subject to agreement being reached with the abutters, which is necessary before the State will transfer title to Town. It was moved that Article 14 to read as follows: To see if the Town will raise and appropriate the sum of \$250.00 for the developing of a Town Beach and picnic area. The motion was accepted as read. Passed in the affirmative.

Article 15. To see if the Town will raise and appropriate the sum of \$500.00 to paint the roof and outside of the Town Hall. It was moved that Article

15 be accepted as read. Passed in the affirmative.

Article 16. To see if the Town will approve of the change in price of cemetery lots from \$5.00, resident, and \$25.00, non-resident, to \$25.00 and \$50.00 respectively. It was moved that the price of the cemetery lots be increased to \$25.00 for resident, and \$50.00 for non-resident, and that the money derived from the sale of cemetery lots be placed in the Cemetery Fund for the upkeep of the Cemetery.

Article 17. To see if the Town will vote to rescind Article 20, voted favorably at the annual Town Meeting, March 12, 1957, which vote was "To see if the Town will vote, for the purpose of record only, to close the Mountain Road, so called, from the Raymond Line to the road from Route 107 to the Fire Look-out on Pawtuckaway Mountain, the original closure of this road being ordered in the Town Clerk's records that cannot be found."

A. To see if the Town will vote to rescind any prior vote that may have been taken whereby the Mountain Road, so called, from the Raymond Line to the Road from Route 107 to the Fire Look-out on Pawtuckaway Mountain may have been closed.

B. To see if the Town will vote to open Mountain Road to public travel.

It was moved that, provided acceptable agreement can be reached relative to the maintenance and liability, Mountain Road, so called, be opened to public travel from Raymond Town line to the North-westerly boundary of land now owned by John Brustle, also known as Hans Brustle, situated on Pawtuckaway Lake in Nottingham. Passed in the affirmative.

Article 18. To see if the Town will vote to affirm the action to be taken by the Selectmen in entering

into a contract with the Developer, Gould H. Coleman, concerning maintenance of the Mountain Road. It was moved that the Selectmen be authorized to enter into any contract in the name of the Town, relative to maintenance of Mountain Road, which they believe to be in the interest of the Town. Passed in the affirmative.

Article 19. To see if the Town will vote to have the office of Chief of Police filled by appointment by the Selectmen in place of being an elected office. It was moved that Article 19 be dispensed with. Passed in the affirmative (Secret Ballot: 38 voted to appoint — 40 voted to elect).

Article 20. As instructed by the voters at the 1959 Town Meeting, the Town Clerk compiled and presented a list of local ordinances to the Selectmen for examination and recommendation. The following recommendations were made: A. That Article 5 in minutes of Town Meeting of March 11, 1952 be revised according to the plan presented by the Library Trustees at this meeting.

B. That Article 10 in the minutes of Town Meeting, March 13, 1951 be rescinded.

a. It was moved that the Nottingham Public Library shall be open during at least one school day a week for the children and at least one day a week for adults, the exact hours thereof, in both instances, to be left to the discretion of the Library Trustees. Passed in the affirmative.

b. It was moved that the Selectmen be authorized to set the wage scale for the Highway Department. Passed in the affirmative.

Article 21. To see if the Town will authorize the Selectmen to sell property acquired through Tax Collector's deeds and surplus equipment at properly

advertised public auctions, to accept or reject any or all bids and to dispose of same at their discretion, after it has been offered at such auction. It was moved that Article 21 be accepted as read. Passed in the affirmative.

Article 22. To see if the Town will authorize the Selectmen to borrow in anticipation of taxes. It was moved that Article 22 be accepted as read. Passed in the affirmative.

Article 23. To transact any other business that may legally come before the meeting.

It was moved that the Planning Board be instructed to work with the School Board and Selectmen in drawing up any plan to combine the Town and School facilities at the School. Passed in the affirmative.

It was recommended that the Planning Board study and develop, if feasible, a postal program for the Town of Nottingham. This was dispensed with.

It was moved that the polls be kept open until 6:30 p.m. Passed in the affirmative.

Minutes of Special Town Meeting

MARCH 8, 1960

Article 1. To amend Paragraph 1, Article 3, General Provisions of the Zoning Ordinance to read as follows:

1. No junk yard or place for the storage of discarded machinery, vehicles or other scrap materials shall be maintained in any Lake residence or Recreational Camp District. At, or after a public hearing of which ten (10) days notice has been publicly posted the Zoning Board of Adjustment may issue written permits for such yards or places in the General Residence and Agricultural District, provided:

1. The Chairman of the Board shall at the time of posting such notice, or notices of the meeting, advise, or attempt to advise the owners of the adjoining property of the coming meeting and furnish proof of the same. For the purposes of this provision, owners of property directly opposite the proposed area shall be considered as adjoiners, in addition to those directly abutting.

2. The Board of Adjustment must give full consideration to possible adverse effect on neighboring property before granting of permits.

3. The applicant must be a resident voter; and owner or co-owner of the land to be used. The area must not be visible for adjacent highways.

4. There must be a minimum set-back between the yard, or place and the center of any public road of one hundred-fifty (150) feet.

5. The applicant assumes full responsibility

for costs of fighting fires caused by use of torches or burners in the operation of the yard.

6. The permits shall state the above conditions and the duplicate copy shall be filed with the Town Clerk. The permits shall be non-transferrable and shall expire with the death of the operator, proof of discontinuance of operation to the Board of Adjustment, or transfer of ownership by sale or otherwise. Any violation of above restrictions shall be cause for immediate revocation of the permit or permits.

It was voted to dispense with Article 1. Passed in the affirmative.

Article 2. To amend Paragraph 2 — Foundations: of the Building Code to read as follows:

2. Foundations:

All structures shall be set on solid foundations of cement, brick, stone or other acceptable masonry, with the following exceptions: barns, garages, and accessory buildings may be erected on masonry piers meeting the approval of the Building Inspector. Permits for seasonal homes shall allow their erection on masonry piers.

Article 2 passed in the affirmative.

FIRE CHIEF'S REPORT

During the year 1960 we have been very fortunate in having very few grass or forest fires. To keep it so, you must remember to get your permit to burn before starting a fire outside.

The firemen held our annual July 4th Celebration and again it was successful. All the hard work done in connection with the celebration is greatly appreciated.

As in the past years we donated to the children's Christmas party. We purchased 500 feet of one and a half inch hose which was paid for half by the department and half by the town.

We had our annual outing at Flagstones which was enjoyed by several of the members.

Respectfully submitted,

LAROY W. BATCHELDER,

Fire Chief

IN CASE OF FIRE

2. GIVE LOCATION AND NATURE OF FIRE.
3. GO FIGHT IT!

West Nottingham residents call Northwood Wilson 2-8822.

Dover territory call Durham Fire Department in an emergency.

REPORT OF THE PLANNING BOARD

During the winter of 1959-1960 the Planning Board held a series of meetings and attended several seminars in Concord, N. H., with the result that a zoning ordinance was drafted and presented at the annual Town Meeting of March 8, 1960.

The ordinance, as read, was adopted by majority vote. The board continued research and correspondence on numerous matters felt to be of community interest with varied results.

Inquiry has resulted in Nottingham being placed on the N. H. Medical Society list as being among the towns desirous of obtaining a resident doctor. Co-operation from the N. H. State Highway Department, John O. Morton, commissioner, has been excellent and has resulted in the erection of "Stop" signs at several recommended points on Route 152, the "No Parking" signs on the west side of Route 156 opposite the church, and establishment of a 35 mile per hour zone from a point just westerly of Nottingham Square on Route 156 to and beyond Nottingham Grade School.

Chief among the long-range possibilities for the Town is the fact that along several of the streams in the Town are excellent opportunities for creation of sizeable artificial lakes, as possible future sources of increased tax revenue.

Correspondence with the Water Resources Board and Fish and Game Department has shown both departments as willing to co-operate with any town on those lines. The tremendous amount of work entailed tends to show such projects as feasible only if the Town owns a large portion of the watershed con-

cerned and willing to finance such construction regarding dams as would be necessary.

Similar projects have been found financially profitable by several towns in the state. They represent perhaps the only present source of revenue in the town where a long term investment may be justified.

A seminar at Durham, N. H., was attended by a majority of the Planning Board on December 15, 1960 on the subject of "Industry for the Small Town." At this time the board points out that industry projects and doctor inducement by many towns entail the bonding of the towns concerned to the point where the factory owners or doctors concerned have only to turn the key in the door to start operations of any nature.

The board is strongly against bonding the Town to finance any type of improvement without the certainty of adequate financial returns.

A further project carried out has been the erection of the "Sanborn Memorial Field" sign authorized by a long-standing previous vote of the Town.

Dissatisfaction with the junk-yard prohibition clause of the zoning ordinance resulted in the drafting and presentation to the voters for action prior to the national election on Nov. 8, 1960 of an article amending the ordinance to permit such yards subject to strict regulations or restriction.

While rejected by the Town, the case is cited as affirming the board's position that any citizen or group of citizens has the right or privilege to request such action in regard to any local problem. It is extremely doubtful if results favorable to the Town will result from correspondence to various authorities regarding (1) inquiries as to possible

missile bases in southeastern New Hampshire and (2) the request for consideration of the Lamprey River watershed, of which Nottingham is a part, as a source of water for present and future Federal installations. They are merely to be regarded as attempts to consider all possible sources of improvement.

The board strongly recommends a low assessment a low tax rate as Nottingham's only logical course at the present time.

REPORT OF BUILDING INSPECTOR

Receipts (28 Permits)	\$28.00
Paid to Treasurer	28.00

From January 1, 1960 to December 31, 1960, twenty-eight permits were issued.

Notice: According to the laws of the Town of Nottingham and the State of New Hampshire, a building permit (cost \$1.00) is required when:—

1. Erecting any building.
2. Moving any building.
3. Alterations of existing buildings.

REPORT OF CIVIL DEFENSE DIRECTOR

To the Board of Selectmen:

This will be my last annual report to the townspeople as Director of Civil Defense.

As has been the custom of the present incumbent since taking office four years ago; all ordinary expenses of the office, such as printing, stationery, envelopes, postage, rubber stamps, express charges, traveling expenses, entertainment, office supplies, etc., have been borne by your Director.

I wish to thank all the inhabitants of Nottingham who so generously contributed towards the purchase of the police radio equipment. Police Chief Richard McGowen, who was ably assisted by Auxiliary Policeman Elwin Cilley, did a marvelous job in making these collections. These men spent a lot of their valuable time and great effort in collecting this money, and deserve a lot of credit from the entire populace. A check for \$65.00 from the Civil Defense budget was donated to this police radio fund.

The Town of Nottingham will now be tied in with the New Hampshire State Police radio network. All alarms received from the Eleven State Teletype System and re-broadcast from Concord will be received by our local car.

I wish to tender my resignation to take effect next Town Meeting day, March 14, 1961. This will complete four years in office as your Director of Civil Defense. I also wish to heartily thank everyone for their fine 100% co-operation.

Respectfully submitted,
HUBERT E. INGALLS
Director of Civil Defense

REPORT OF ROAD AGENT

In addition to the regular maintenance and care of the roads in the Town, the tarring of the following roads has been completed or extended:

Long Hill — 3/10 mile, completed.

Kelsey Town Road — 1 mile. This leaves only 4/10 mile to be completed.

Freeman's Hall Road — 5/10 mile. This leaves only 3/10 mile to be completed.

Gebig Road — 4/10 mile.

In addition, 2½ miles of seal coat has been applied.

The abutment on the North side of the stream at Whitcher's Mill needed emergency repairs in the Fall of 1960. These were, of course, made at once, and the way is passable. However, new timbers must be installed this Spring.

It is necessary that the Town give serious consideration to the purchase of a new piece of equipment to replace the present F.W.D. This truck has been in service for thirteen years, and, however much we wish that expensive equipment could last forever, years spent in useful duty have taken their toll, and that truck "has had it." Facts and figures relative to the cost of repairs, upkeep and loss of efficiency will be available at the Town Meeting.

I wish to thank the Townspeople for their support and encouragement during the year, and particularly during this extremely severe winter. I realize I "can't please all of the people all of the time," but I do try to please "most of the people most of the time."

PHILIP C. FERNALD

Road Agent

REPORT OF CHIEF OF POLICE

The following report of activities is hereby submitted by the Nottingham Police Chief for the year ending December 31, 1960.

Approximately 60 complaints were investigated and taken care of.

There were ten automobile accidents reported that I investigated.

Four cases involving missing persons were investigated and located.

The Nottingham Police has rendered assistance to other local police agencies in seventeen cases and has worked with the State Police for a total of sixty-seven times.

During the year of 1960 an estimated 514 actual man hours were utilized in providing police coverage to the Town of Nottingham. The Police Department has been ready to assist at all times.

An approximate total of 2,000 miles has been traveled throughout the Town in the performance of police duties.

There have been several new Speed, Stop and No Parking signs placed throughout the Town in order to make "our" Town a safer community.

I wish to express my appreciation to everyone who contributed to the Police Departments' two-way radio. I would also like to express my gratitude to the Selectmen for the co-operation they have rendered to the Police Department during the year of 1960.

Respectfully submitted,

RICHARD A. MCGOWEN

ANNUAL REPORT OF LIBRARY TRUSTEES

The Library Trustees are gratified to report that during the year ending December 31, 1960, the per capita circulation has made a slight increase and is higher than the State average for towns of the size of Nottingham. Most of this increase is due to a greater use of library facilities by the school, especially the upper grades.

During the year 75 adult books and 67 juvenile books were added to the shelves. In addition, the Bookmobile came every nine or ten weeks, loaning us about 200 books on each trip.

The Bookmobile also set up several special exhibits for us on such subjects as "Do-It-Yourself" projects, Gardenings, Understanding Your Pre-School Child, and Civic Affairs. We are also continuing the agreement with the Epping Library for borrowing a number of books several times a year.

REPORT OF FIRE WARDEN

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

ROBERT W. SMITH
District Chief

Prevention Is Your Business

Carelessness, human carelessness, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed—all because many are careless with fire in and near woodland. This can be remedied. You can put an end to this shameful waste! PREVENTION is YOUR business!

You, whether you be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First—by setting a good example yourself—being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second—by using your individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for you and for them.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning—don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles—make sure they are out—use your ash tray.
5. Don't burn at home—use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 2.

Number of acres burned, 2.

Number of permits issued, 30.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Nottingham:

The Nottingham Elementary School was organized in September, 1960, as follows:

<i>Grade</i>	<i>Teacher</i>	<i>No. Pupils</i>	<i>Tot. In Ea. Rm.</i>
I	Mrs. Stella Cilley	17	28
II		11	
III	Mrs. Carrie L. Bartlett	17	27

V	Mrs. Helen L. Saulnier	11	29
VI		18	
VII	Percy E. Gardner, Prin.	17	27
VIII		10	

Other Staff Members Include the Following:

School Nurse-Teacher, Mrs. Frances L. Harvey, R.N.
 Music Supervisor Mrs. Helen Gfroerer
 Handwriting The Rinehart Service
 Custodian Mr. John H. Travis

Nottingham tuition pupils have been attending outside the district as follows:

Nottingham Pupils						Tuition Rate
Attending	9	10	11	12	Tot.	60-61
Dover High School	10	1	3	4	18	\$339.
Coe-Brown - Northwood Acad.	1	1	3	2	7	\$399.
Oyster River Co-op.	2	3	2	3	10	\$375.
Raymond High School		1			1	\$399.
Total	13	6	8	9	36	

This year Mrs. Stella Cilley replaced Mrs. Shirila Smith in Grades 1 and 2. We are indeed fortunate to continue to retain our well qualified and prepared teachers, and particularly Principal Gardner who has contributed a great deal in extra curricula activities in addition to his regular teaching duties.

The cost of education continues to increase proportionately to the increases in other areas of our economy, therefore, it is with deep satisfaction that your school board can present to the community a budget which is substantially similar to last year's budget.

I am sure that the community joins me in paying respect to Mrs. Effie L. Nay, recently deceased, who for many years assisted the community by providing adequate and punctual transportation for the pupils of Nottingham.

The Nottingham pupils continue to enjoy the enrichment program in music, science, mathematics and social studies made available through WWNH, Channel 11, Educational TV.

To become more intimately acquainted with the program offered in your school, you are encouraged to read Principal Gardner's report and to visit the school. You should be proud to enter your school and observe the efficiency employed by the staff in their teaching methods and program. This calibre of teaching is more necessary than ever before to prepare the students to pursue higher education. During this critical teacher shortage you are indeed fortunate to have such a fine staff guided by your principal Percy Gardner.

The following data of Supervisory Union No. 44, which includes your community, will be of interest to you.

NOTTINGHAM ELEMENTARY SCHOOL

Report of School Activities

To the Superintendent of Schools:

Last May, the 7th and 8th grade production of "The Cactus Wildcat" was a great success. This was the third year that a play has been staged by this group. The proceeds from these plays have been used to finance the class trip each year and to defray other graduation expenses. The girls new combination basketball-softball suits were partially paid for by this fund. The remainder was furnished by the School District and the P.T.A. This year's production is just getting underway.

As soon as the field dried out, baseball for the boys and softball for the girls got underway. Teams from Candia, Epsom, Northwood and Barrington competed with our boys and girls.

With the aid of Alice Gfroerer, music supervisor, the graduation program was one of the best ever.

The opening of school in September brought the "kids" back eager to learn and renew old friendships interrupted by summer vacation.

By October, the soccer season kicked on the door of winter. Austin-Cate Academy was defeated twice, Farmington once, Raymond tied once and twice the victor.

A Veterans' Day program was presented under the able supervision of Alice Gfroerer. Officers of the American Legion were present along with students and parents.

Our Annual Christmas program, once again

superbly supervised by Mrs. Gfroerer, was well received by parents and friends.

Right after Thanksgiving the basketball season opened with a loss to Newmarket. The boys wore new suits purchased jointly by the Fire Department, School District and the P.T.A. A new league was formed to include Alton, Farmington, Barrington, Epping, Raymond and Nottingham. Other schools on the schedule were: Candia, Northwood, Coe-Brown Freshmen and Exeter.

Once a month dances are held for grades five through eight. Grades seven and eight from Northwood have been guests on many occasions. Sixty students in attendance is not unusual.

A new stereo Hi-Fi record changer was recently purchased with money from the school student fund.

On the educational side of school, the new T.V. set, purchased by the P.T.A., integrated science, social studies and music with the regular course of studies. The new movie projector has also been utilized as an audio visual aid in science and social studies. The use of these aids will be broadened in the future.

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

The following is the report for the year ending December 31, 1960 for the Schools of Barrington, Epsom, Northwood, Nottingham and Strafford.

There were 856 children inspected during the year for height, weight, teeth, tonsils and eyes. Of these, 96 were done at the Pre-school Clinics in May.

Forty-one cases of dental cavities were reported, 13 of enlarged tonsils and 16 of defective vision. The parents have been most cooperative in having these children checked by their family physicians and dentists and in correcting them according to their advice.

Four children obtained glasses through the State Sight Conservation program and there are 2 children attending Speech Correction Classes at Portsmouth Rehabilitation Center.

During the year, 73 home visits were made.

May I extend my appreciation for the fine cooperation of the Superintendent, Board Members, Teachers and Parents who have all helped make the past year pleasant and, I hope, successful.

Respectfully submitted,

FRANCES L. HARVEY, R.N.

School Nurse
